

Ice Cubes Learn to Skate

This creative class introduces figure skating to the littlest of skaters in a fun, safe and stimulating atmosphere. Skaters will improve their gross motor skills and enhance coordination and agility by learning basic skating skills through the use of music, visual aids, fun games and imagination! Skaters will safely learn how to sit, stand and move around the ice. Class is 30 minutes of instruction. This program is the perfect starting point for skaters ages 2-5.

Preschool and Kindergarten Ice Skating

Learning to skate inspires self-confidence in children and gives them a healthy activity to enjoy throughout their lives. In this creative class, young skaters play fun games on the ice which enhance agility, coordination and endurance while inspiring a true love of being on the ice. Class includes 30 minutes of instruction and 30 minutes of practice ice. This program is the perfect starting point for children ages 4-6.

Learn to Skate Skills

Learn to Skate 1-8 is a fun-filled, creative and instructional program, which will give skaters the perfect start to learning beginner elements such as stopping, stroking, edges and turns. Instruction will establish and improve skills for figure, recreational and hockey skating. Class includes 30 minutes of lesson time and 30 minutes of free skate/practice time.

Teen and Adult Skating (15+)

Everyone can skate at Colonial! Whether you would like to learn how to skate, are seeking an alternative fitness program or want to take your skating skills to the next level, the Colonial Teen and Adult Figure Skating Class is the perfect program for you. 30 minutes of instruction and 30 minutes of practice ice

Advanced Skills Bridge Class

This 60 minute elite class is designed to help skaters take their skills to the next level. Skaters will progress through the advanced free skate levels while also being introduced to the various other skating disciplines such as; ice dancing, synchro, TOI, pairs and moves-in-the-field. Class includes an on ice warm up and rotating stations which focus on the different aspects of skating such as jumps, spins and edgework.

Early Release Thursday Skate with Friends

Want to learn how to skate? Grab some friends and have some fun on the ice!!! Each semi-private class is limited to 3-4 skaters per instructor with 30 minutes of instruction and 30 minutes of practice ice. This class allows for skaters to progress at their own rate while being challenged and motivated. Curriculum follows U.S. Learn to Skate levels.

Homeschool Skating Adventures

Looking to learn to skate while fulfilling your physical education requirement? Look no further! This class allows for skaters to progress at their own rate while being challenged and motivated. Evaluation certificates are provided at the end of each session. Curriculum follows U.S. Figure Skating Learn to Skate levels. At least 4 skaters are needed to run this class so grab your friends and let the fun begin! Classes are 30 minutes of instruction and 30 minutes of practice ice.
