

Colonial Figure Skating Club, Inc.
MEMBERSHIP CONTRACT

(Please read carefully before signing. Memberships cannot be accepted without your signed agreement to these terms)

I hereby agree to the following terms, conditions, financial responsibilities, and other obligations set forth below as a condition of my (or my child's) membership in Colonial Figure Skating Club, Inc. ("CFSC").

- I agree to familiarize myself with, and abide by, all rules and policies of CFSC, including the Club's Bylaws and "Rules and Ice Conduct" requirements.
- **Membership dues are non-refundable once the membership has been approved.**
- All accounts with Colonial Figure Skating Club, Inc. and/or Nashoba Valley Olympia ("NVO") must be current. Ice will not be booked for skaters with past-due accounts with CFSC or NVO.
- Contracted ice must be paid for in advance, using one of the three prepayment options outlined in the Ice Payment Contract. Walk on ice must be paid for at the time it is used. **Accounts must be paid within 7 days of the due date according to the prepayment option you choose, in order to remain a member in "good standing" and to avoid the loss of ice privileges. If your total ice booking is less than \$100, full payment is required at time of booking. Accounts over 7 days in arrears will be assessed finance charge of 1.5% percent per month (18% per year), and members will be liable for all costs of collection of unpaid dues and fees, including court costs and reasonable attorneys' fees. Members will be charged \$25 for all returned checks.**
- CFSC has a limited switch policy that allows a skater to change his/her ice time when necessary. Abuses of the switch policy may result in loss of privileges to use this policy. If you **do not** switch your ice time, you are obligated to pay for that ice time.
- Medical credit will be given only in the event of injury or illness resulting in the skater missing at least five consecutive days of contracted ice. A doctor's note is required in order to receive a medical credit.
- Each skater is allowed one-week vacation per club season (September through June). Vacation credit must be requested in advance, in writing.
- Skaters competing in a USFSA qualifying competition are eligible to receive credit for ice sessions missed for the **duration of the competition only**. Qualifying competition credit must be requested in advance, in writing.
- If, during this period, you must give up your contracted ice, a letter must be submitted to the CFSC President explaining the reasons why you are unable to use your contracted ice, and requesting to be excused from your financial obligations. The request will be considered by the Board of Directors, and if approved, you will be responsible to pay for your contracted ice for the next 30 days from the date your letter was received. If your request is denied, you will be responsible for the remainder of your dues and other financial commitments to CFSC for the season.
