Dear New and Renewing Colonial Member:

Thank you for choosing Colonial Figure Skating Club, Inc. as the skating/training facility for you or a member of your family. As I'm sure you know, Colonial offers much to its members both on and off the ice. One of the benefits offered to members who name Colonial as their home club, is full payment of their U.S. Figure Skating membership dues. While Colonial still plans to continue this practice, we have had to increase the membership cost across the board to cover the recent raise in fees imposed by U.S. Figure Skating.

Enclosed, please find the required paperwork for membership. If you are a renewing member, your application form is pre-printed. Please review all of the information and make corrections where necessary. If you are a prospective member, please read and complete all information. Please read and sign the Membership Contract on the back of the application as well as the Parent Code of Conduct and Volunteer Form. If you have not fulfilled your volunteer requirements, you will also find an invoice enclosed. All payment(s) and paperwork are due in the Colonial office on or before June 20th for consideration at the June 27th BOD Membership Meeting. Reminder, skater accounts must be current in order to be considered for renewal. Nashoba Valley Olympia **Summer Skate** begins on Monday, June 27th and an up-to-date USFS membership is required for participation.

Please familiarize yourself with the Colonial FSC website, www.colonialfsc.com, for additional forms, notices, and ice schedules. Registration for **Constant Contact**, an informational e-blast, is also available on the website. It is very important that you sign up for this as almost all the information coming from the office is posted via Constant Contact.

Thank you for your interest in Colonial. If you have any questions or concerns, please feel free to contact the Colonial office.

Sincerely,

William Rowe
