

## **Ice Opportunities for Non-Member Skaters and Coaches:**

Colonial Figure Skating Club will open two skating sessions per day, Monday through Friday, to non-member skaters and non-member coaches. Skaters must qualify for the designated skating level of the session and bring a copy of their USFS card or basic skills card. Coaches must bring a copy of their insurance and PSA membership card for our files. Coaches will pay \$5.00 per session and non-member skaters will pay \$18.00 per 45 minute session and \$16 per 30 minute session. As with all Colonial sessions, non-members may walk-on only, and members have priority.
