

Dear Future Colonial Member,

Enclosed is the application package for the 2007-2008 skating season. Please take time to review it carefully and complete all areas on both sides of the application. You will find a checklist on the reverse of this letter to make sure that all information that is necessary to process your membership application is included when you return your application. This will prevent any unnecessary delays with membership approval. Please make sure you clearly indicate if Colonial will be your "home" (representing) club.

New applicants must complete the US Figure Skating Membership Registration form if you are going to represent Colonial Figure Skating Club. Parents (2) of Full, Family, or Junior Members, who are under the age of 18 years, are also eligible to become Non-Skating Parent Members of Colonial FSC at no additional cost under your child's membership. Please complete the US Figure Skating Membership Registration form and return it with your child's membership application. Parents or guardians of skaters under the age of 18 must also read, sign, and return the U.S. Figure Skating Parents Code of Conduct, which is included the package.

All membership paperwork is due back in the Colonial Office with payment in full, and all necessary forms completed in order to be voted on at the June Board meeting. Just a reminder, US Figure Skating memberships expire on June 30, 2007. Skaters must have current memberships in order to compete, test, or participate in US Figure Skating events.

This year, Locker request forms, Warm up suit forms, Ice Crystals Show information, Volunteer vouchers, and Colonial FSC Rules and Ice Conduct information are available online at [www.colonialfsc.com](http://www.colonialfsc.com) under the membership tab. Please print any forms from web site, complete and return with payment, if necessary. The annual Ice Crystals is scheduled to be held in May of 2008, skaters must be a full home club member, and book a minimum of 4 sessions of ice weekly in order to be eligible for a solo in the show. Additional information on the show will be available on the web site at a later date.

A fall ice form and payment contract will be mailed separately in July to Members who are eligible to pre-book ice.

As always, thank you for your continued support of Colonial Figure Skating Club. If you have any questions, please feel free to contact Eleanor or Mary in the Colonial Office @ 978 263-3450.

Sincerely,

Kathy Boucher  
Membership Chair
