ABOUT THE CLUB

Colonial Figure Skating Club, located in Boxborough, MA, is a community that has shared a love of figure skating since 1972. Now in our 51st year, the club offers opportunities for participation and achievement in figure skating for ice skaters at all ages and levels. Our membership includes youngsters just starting out, youth and teens at all recreational and competitive levels, adult skaters and Olympic hopefuls. We are very proud of our tradition of excellence, which includes not only Olympians, but also National and World Champions.

Annually, we present special events that include competitions, an annual ice show and a club-wide gathering where we present awards to celebrate and recognize our skaters' achievements throughout the year.
