## ICE SESSION DESCRIPTIONS

- **Freestyle Sessions:** Open to skaters from No Test to Senior level. Skaters who are at the Freeskate 6 level or below may skate on Freestyle sessions while in a lesson and supervised by a coach. Sessions are open to all levels except where designated. Skating Skills/Testing not allowed on Free/Dance sessions.
- **Juv-Sr Freestyle Comp:** Open to skaters preparing to compete at Juvenile or higher well balanced, or Juvenile Plus and higher Excel. Freestyle only; no Skills and no testing. Limited space: \$30 Pre-book/\$33 Walk-on.
- **ASPIRE Practice Ice:** Open to skaters who are currently enrolled in Aspire Advanced Skills, Intro/Preliminary TOI, Aspire Synchro or Learn to Skate. Limited spots are available on half-ice for skaters to take a private lesson or practice skills on their own. All skaters must initially work with a coach to learn ice etiquette and safety before being allowed to practice on their own. All skaters, \$10.
- **Adult Edge Class:** Open to skaters age 18 & older.
- **Red/Black Sessions:** Guest coaches may coach on red sessions after registering with the Colonial office. Guest coaches are limited to 14 black sessions per year.

## MEMBER PRE-BOOKING

Colonial Members in good standing may “Pre-Book” ice during designated time periods, up to the maximum sessions allowed for their member type, at the premium “Member Pre-Book” price. Pre-Booking is only available during specified time periods unless a member is NEW to the club (and joined after the Pre-Booking period closed.) Pre-Booked sessions are considered contract ice, and are binding and non-refundable. Unlimited switches are allowed within an ice-booking season. A payment installment plan is available for all pre-booked ice.

**NOTE:** Pre-booking limits apply only to Freestyle Ice sessions. Aspire Practice Ice and the Adult Edge class do not count toward a skater’s maximum pre-booked sessions.

## GOLD MEMBER PRIORITY BOOKING

Gold members are eligible for priority booking, typically one week before general member pre-booking opens. In addition, Gold members accrue seniority based on years of membership, and members with the most seniority are given preference when they book during the priority period.

## MEMBER ADD/DROP PERIOD

Members may make changes (Add/Drop/Switch) to their bookings for a season during the Pre-Booking period with no penalty. Bookings are considered final at the close of the Pre-Booking period, at which time they are binding and non-refundable.

## MEMBER/NON-MEMBER OPEN BOOKING

After the Pre-Booking period closes, Open Booking is allowed up until the start of the ice-booking season. This is typically the one week prior to the start of the season. Members and Non-members may book additional sessions at the higher Drop-In price. There are no limits to sessions booked during this time, and members with pre-booking limits may add to their bookings at this time. All booked sessions are binding and non-refundable, although unlimited switches are allowed within an ice-booking season. A payment installment plan is available for ice booked during the Open Booking period.

## MEMBER/NON-MEMBER WALK-ON ICE

Once the ice-booking season opens, all sessions are booked as Walk-On ice, at the Drop-In/Walk-On rate. Members and Non-members may book Walk-On ice in advance or up to the start of the session they wish to skate. Walk-On ice must be paid at the time of booking, and is non-refundable. Please note that all skaters must hold current USFS membership; Non-members are required to register and provide their USFS number to the Colonial office.
