MEMBER PRE-BOOKING

Colonial Members in good standing may “Pre-Book” ice during designated time periods, up to the maximum sessions allowed for their member type, at the premium “Member Pre-Book” price. Pre-Booking is only available during specified time periods unless a member is NEW to the club (and joined after the Pre-Booking period closed.) Pre-Booked sessions are considered contract ice, and are binding and non-refundable. Unlimited switches are allowed within an ice-booking season. A payment installment plan is available for all pre-booked ice.

NOTE: Pre-booking limits apply only to Freestyle Ice sessions. Aspire Practice Ice and the Adult Program do not count toward a skater’s maximum pre-booked sessions.

GOLD MEMBER PRIORITY BOOKING

Gold members are eligible for priority booking, typically one week before general member pre-booking opens. In addition, Gold members accrue seniority based on years of membership, and members with the most seniority are given preference when they book during the priority period.

MEMBER ADD/DROP PERIOD

Members may make changes (Add/Drop/Switch) to their bookings for a season during the Pre-Booking period with no penalty. Bookings are considered final at the close of the Pre-Booking period, at which time they are binding and non-refundable.

MEMBER/NON-MEMBER OPEN BOOKING

After the Pre-Booking period closes, Open Booking is allowed up until the start of the ice-booking season. This is typically the one week prior to the start of the season. Members and Non-members may book additional sessions at the higher Drop-In price. There are no limits to sessions booked during this time, and members with pre-booking limits may add to their bookings at this time. All booked sessions are binding and non-refundable, although unlimited switches are allowed within an ice-booking season. A payment installment plan is available for ice booked during the Open Booking period.

MEMBER/NON-MEMBER WALK-ON ICE

Once the ice-booking season opens, all sessions are booked as Walk-On ice, at the Drop-In/Walk-On rate. Members and Non-members may book Walk-On ice in advance or up to the start of the session they wish to skate. Walk-On ice must be paid at the time of booking, and is non-refundable. Please note that all skaters must hold current USFS membership; Non-members are required to register and provide their USFS number to the Colonial office.
